

Taste of the South End is Boston's premiere Food & Wine event taking place on March 3, 2015. Each year, Taste features over 40 of the most celebrated chefs and restaurants from Boston's South End along with our popular live cooking demonstrations. Building on the success of this past year, the event promises to be bigger and better with more restaurants, more exciting offerings for our 700+ attendees, and more exclusive items in our auction and raffle. www.aac.org/taste

We walk to honor those we have lost, raise awareness of the impact HIV/AIDS has on individuals, families and the community at-large and to raise funds for our innovative programs and services that work to prevent new HIV infections, support those affected, and tackle the root causes of HIV/AIDS. www.aidswalkboston.org
